### Gaughan to give address on local government

**Updated: 07/03/08 7:01 AM**

After completing an eight-month tour of Erie County's 45 municipalities, consolidation advocate Kevin Gaughan will report on the state of local government during a luncheon address at noon Wednesday in the Harbour Club of HSBC Arena.

Gaughan's presentation is sponsored by the Rotary Club of Buffalo, Amherst Chamber of Commerce, Buffalo Chapter of the NAACP, Working for Downtown, VOICE-Buffalo, Buffalo Rising, New Millennium Group and Kenmore Rotary Club.

Gaughan will describe social and economic conditions in the county's 25 towns, 16 villages and three cities, and propose changes to further reduce government, save taxes and strengthen the community.

His address is open to the public.
